

God's Front Porch

Capo 2nd Fret

Verse 1

C Em
I'm the loneliest man in the world right now
Dm F C
Maybe I'm not, maybe I'm just down
C Em
For the next three days I'll call this home
Dm F C
Watching all the ground beneath us fall
C Em
Life with you never felt like this
Dm F C
Never been one for the simple things

Chorus

Em Dm
Standing on the corner of God's front porch
G Am
Watching all the ground beneath us fall
Em Dm
Loneliness and solitude
G Am
Seldom get the two confused

Verse 2

C Em
Quit your job and walk away
Dm F C
Didn't like it that much anyway
C Em
Sell your house and start again
Dm F C
Burn your past and make new friends
C Em
Cos you can check out any time you want
Dm F C
Already been a tad too long

Chorus

Em Dm
Standing on the corner of God's front porch
G Am
Watching all the ground beneath us fall
Em Dm
Loneliness and solitude
G Am
Seldom get the two confused

Middle

Dm
But if I tried and if I missed
 C G
Would you leave me alone like this?
Dm
For all the things I've ever done
 C G
Would you let my life go on

Outro / Verse 3

 C Em
I'm the loneliest man in the world right now
Dm F C
Maybe I'm not, maybe I'm just down

Cannibal

Intro

F#m, E, A, E

F#m, E, D, A

Verse 1

F#m A E

I'm a dirty little Cannibal

F#m D A

Eating all my friends

F#m A E

Under the illusion

F#m D A

That the fun will never end

Pre-Chorus

E

Scheming in the basement, making my equations

F#m

Gotta get the numbers right

E

All my fiends and material dreams

F#m

Gonna come along tonight

Chorus

D

But I love you but I hate you

Bm

F#m

And I don't anticipate you coming back

F#m, E, A, E

F#m, E, D, A

Verse 2

F#m A E

All that I can do today

F#m D A

Is sit around and wait

F#m A E

For a man like you to come along

F#m D A

To come and take my place

Pre-Chorus

E
But what do you do, when your face turns blue?
F#m
And your heels are kicking on the floor
E
And you're looking at me with a sense of glee
F#m
That I've never ever seen before

Chorus

D
Cos I love you but I hate you
Bm F#m
And I don't anticipate you coming back

Middle

E
And all my situations are black
F#m
She said how could it be?
E
As I walked thru the back room to run
F#m
She said I'll never see

Chorus

D
But I love you but I hate
Bm
Yeah I love you but I hate you
D
Yeah I love you but I hate you
Bm F#m
And I don't anticipate you coming back

F#m, E, A, E
F#m, E, D, A

Sugar Water

Capo 3rd Fret

Intro

D, Dmaj7 x4 (Listen to dong to get this strumming pattern, it's the same for both verses)

Verse 1

D, Dmaj7

I'm sorry, for all those little things I said
I pushed you so hard, too hard
I watched you from in my head

G D
I want you to know that without you it won't be said
G D
You can't spend it all from the graveyard floor when you're dead

Chorus x2

A G
Do you wanna sell sugar water?
D
Or do you wanna change the world?

Verse 2

D, Dmaj7

I missed you, and all those little things I did
I pushed you so hard, too hard
I watched you from in my head

G D
As your loyalty strayed my integrity stayed and I wept
G D
And it's insanely great how it's you I replaced my friend

(Play verse and chorus instrumentally)

Chorus x 2

A G
Do you wanna sell sugar water?
D
Or do you wanna change the world?

the British IBM

Intro

G#maddE, G#m x2

Verse 1

G#maddE

Standing in an alley way

Between two bars, blood on my face

G#m

You're looking at me and I'm looking at you

G#maddE

Remember when we were both still friends

None of this would have happened then

G#m

But everything I learnt, I learnt from you

Chorus

E C#m

If we'd have kept it all together

G#m

Maybe we'd still be friends

E C#m

If we'd have finished what we started

G#m

We'd be the British IBM

Verse 2

G#maddE, G#m

G#maddE

Could've been another way

Left your dreams for another day

G#m

But I could never be the one, to talk you down

G#maddE

I saw it all on a TV screen

Under a ton and you flicker green

G#m

But I could never be the one, to watch you fall

Chorus

E C#m
If we'd have kept it all together
G#m
Maybe we'd still be friends
E C#m
If we'd have finished what we started
G#m
We'd be the British IBM

Middle

C#m, G#m x2

Verse 3

G#maddE
Now we're both in the history books
A little world that we both once shook
G#m
Never understood, what's a heaven for?
G#maddE
Knew you then as I know you now
Watched it all come crashing down
G#m
Watch a little time, as time goes by

Chorus

E C#m
If we'd have kept it all together
G#m
Maybe we'd still be friends
E C#m
If we'd have finished what we started
G#m
We'd be the British IBM
E C#m
If we'd have kept it all together
G#m
Maybe we'd still be friends
E C#m
If we'd have finished what we started
G#m
We'd be the British IBM

E, C#m, G#m

Good Afternoon

Gm

Good afternoon sir

What do you want from me today?

You want the same thing

That everybody's had today

D#

Gm

Why don't you take a seat and look ahead and I'll wait

D#

Gm

Why don't you take a seat and look ahead and you can have your say

Good afternoon sir

What do you want from me today

D#

Take a seat and look ahead

Gm

But everybody has to wait

You want the same thing that everybody's had today

Take a seat and look ahead and you can have your say

D#

Why don't you take a seat and look ahead

Gm

And you can have your say

D#

You want the messed up look some number two

Gm

That everybody's had today

Feeling

Verse 1

E A E A
I've got this feeling, This feeling is good
E A E A
I know why you left now, you got out while you could
E A E A
And even though I said, I'd do what it takes
E A E A
That was all lies, so this is our fate

E, A x4

Verse 2

E A E A
Don't try and push me, I'll push you to hell
E A E A
The money's all gone now, we don't need your help
E A E A
Your theory's for losers, for losers like you
E A E A
With talks of ambition, that never come true

E, A x4

Middle

F#m A E
I've got it all worked out, and it's all for you
F#m A E
I've seen it all before, but it's all brand new
F#m A E
You've got a lot to lose, but I'm here for you
F#m A E
Thru all those days, just like you wanted too

Outro

E, A x4

Animal

Capo 3rd Fret

Intro

Em, C, G, D x4

Verse 1

Em C G D
I've got my head screwed on
Em C G D
But when I come undone
Em C G D
I don't need anyone
Em C G D
Till the feeling's gone

Chorus

Am C
All I need, is a little piece of sanctuary
Am
I need a little space and time
C
To be alone in my own mind
I'm Just an animal

Verse 2

Em, C, G, D x4

Em C G D
I'm just a silhouette
Em C G D
Behind your talking head
Em C G D
I need to be alone
Em C G D
In my own sweet home

Chorus

Am C
All I need, is a little bit of sympathy
Am
A little place to call my own
C
Where I don't have to hear you moan

Middle

Dm, Am x 2

Em, C, G, D x4

Chorus

Am

C

All I know, is everything you've ever known

Am

Though I could never tell you that

C

You know it's just a simple fact

I'm just an animal

Outro

Em, C, G, D x4

A

3 Years

Verse 1

G#m

You got me thinking, my heart was sinking
But now I'm reeling, and these wounds are healing

G#sus4

I got by on looks till my confidence shook

G#m

And I watched everyday as they took everything that I had
You told me fifteen they, they told me fifteen
I, I walked in three as I smiled thru my teeth

G#sus4

I've got gold I can't touch, if I take it I'm fucked

G#m

And I can't use my name I've got no one to blame but myself

Chorus

F#

E

Oh no, I've seen the punches you throw

G#m

So motherfucker let's go

Verse 2

G#m

So unreliable, cos it's not viable
This was a field, now it's all brick and steel

G#sus4

In a box I can't touch, if I take it I must

G#m

I've got riches and gold and I'm not gonna fold, oh no

Chorus

F#

E

Oh no, I've seen the punches you throw

G#m

So motherfucker let's go

Middle

G#m, G#sus4

Chorus

F#

E

Oh no, I've seen the punches you throw

G#m

So motherfucker let's go

Vanilla Sky

Intro

B, D#m, C#m, F# x 2

Verse 1

B D#m
I saw your face last night in a dream I had
C#m F#
It didn't seem to go so bad you pulled my shirt, and told me that you wanted me back
B D#m
Your sister who I've never met before
C#m F#
Walked into our room and said that nothing here, is where it's supposed to be we're falling

Chorus

E F#
Open your eyes
E F#
Open your eyes
Cos nothing here is real

Verse 2

B D#m
Don't you remember once when you told me once
C#m F#
That every passing minutes just another chance, to turn it all around, I'll find you
B D#m
In another life when we're both cats and then
C#m F#
It doesn't seem to matter then that nothing here, is where it's supposed to be we're falling

Chorus

E F#
Open your eyes
E F#
Open your eyes
Cos nothing here is real

Middle

B, D#m, C#m, F# x 2

E F#
Open your eyes
E F#
Open your eyes
Cos nothing here is real

B, D#m, C#m, F# x 2

Verse 3

B D#m
Thru blood and tears we swept it all away
C#m
And on the concrete floor I lay with broken bones
F#
Waiting for the hand of God
B D#m
But you never came and so my body waits
C#m
Hooked up to machines all day
I dream of you
F# B
Until they find a cure I'm falling

Oscar Pike

Capo 2nd Fret

Verse 1

C

Sitting in the laptop light, on your own all thru the night

Am

Never loved anyone else, or anything more

C

You've been here many times before, your dreams are shadows on the walls

Am

Fading into nothing once again

Pre-Chorus

Dm

G

And you're lack of inspiration, caused your miscommunication

Dm

G

Waiting for your destiny to call

Chorus

F

But is it too late?

C

G

Is it too late to save you?

F

Now your whole life

C

G

Dm

Is a dream that you've just woken from

F

C

Now your twenties have gone

Verse 2

C

I'm here and you're still there, staring out the empty chairs

Am

Wishing all your loneliness away

C

Waiting on a curtain call, walking down the empty halls

Am

A little piece of you just died today

Pre-Chorus

Dm G
 And you're lack of inspiration, caused your miscommunication
 Dm G
 Waiting for your destiny to call

Chorus

F
 But is it too late?
 C G
 Is it too late to save you?
 F
 Now your whole life
 C G
 Is a dream that you've just woken from
 F C
 Now your twenties have gone

Middle

Em Dm
 And if I ever walked away, I'll always find my way back home
 Em Dm
 And if I ever tried again, I'll always wind up on my own

F, G

Chorus

F
 But is it too late?
 C G
 Is it too late to save you?
 F
 Now your whole life
 C G Dm
 Is a dream that you've just woken from
 F C
 Now your twenties have gone
